

Public Comments before meeting starts:

Public Comments *(2 minute limit)*

The public comment segment of the Council Meeting is the time that the City extends the opportunity to the general public to share with us your questions, thoughts, comments, concerns, and complaints. Those wishing to step forward to take advantage of the public comment segment will be provided two (2) minutes. While City government is interested in taking appropriate action, no action can be taken while the City Council is not in session; and current law prohibits City Council from engaging in discussion of any comments made. Discussion of any item appearing on the agenda as a public hearing is prohibited during the public comments segment as an opportunity will be provided during consideration of that item.
