### **January 2015 City Chatter Newsletter**

I hope everyone had a great holiday and wish only the best for all in the new year.

Things are moving along in the City, and repairs to the sewer lines will be taking place very soon. These actions are of extreme importance for the growth of the City as well as keeping the cost of service down.

As always, I am inviting all who wish to attend and let us hear your voice to City Council meetings, which are held on the third Monday every month. The agenda and packet are posted on the City's website and can also be viewed in City Hall.
