

Message from the Mayor

July 2013 City Chatter Newsletter

This is my first letter to the City Chatter since being elected to office. I would like to thank all those who have stood with me in this endeavor, and with the full support of the Council, we can make some positive changes. I have said before that I have an open door policy and am always looking for new approaches to old problems, please feel free to call me at any time at (302) 242-0883. As promised, there will be a roll call in the Journal of all Council meeting votes.

We are also looking for anyone who would like to volunteer for committees; one will be a youth council program, another an economic development committee. I would also like to wish the best of luck to outgoing Mayor Price and thank him for his long service to the City. We are fortunate to be able to have three former Mayors from which we can garner wisdom (Mr. Farrow, Mr. Cahall, and Mr. Price).
