

Message from the Mayor

October 2013 City Chatter Newsletter

Another summer has passed and a lot of events. I would like to thank all the City staff and volunteers that made Police Night Out and Heritage Day such great events.

There has been a lot of work on sidewalks and streets with still more to be done as time and money allows. I have been asked as to when certain streets that are in need of repair are to be completed. In response, all streets are on a priority list in order of most need and all will be done as funds become available. If there is a question as to where a street is on the list contact City Hall.

As I stated when I ran for office, I do not feel that tax dollars should pay for the Christmas party. Myself and a couple of Council Members have joined with the Rotary Club to throw a party to thank all those volunteers that give so much for the benefit of the City. This party is open to the public, and I would appreciate any volunteers to help make it happen.

The City of Harrington is losing a great asset in Ruthann Messick. I would like to take a moment to publicly thank her for the countless hours and effort that she has given this City and wish her the best in all her future endeavors. She will be sorely missed.

In closing, everyone is invited to Council Meetings to voice their opinions and thoughts. I wish everyone the best of holidays!

- Mayor Anthony R. Moyer
