

Message from the Mayor

October 2017 City Chatter Newsletter

I would like to take this opportunity to thank the people of this city for allowing me this second, and final, term as your Mayor. I have had the pleasure of watching a lot of changes over the past few years, which have made the city run more transparently. The Council has made a lot of changes to promote growth and accessibility in the City, and for that, I am thankful. I encourage everyone to reach out to their Council Member with any concerns. The future of Harrington is bright.

Welcome to our new City Manager, Don Williams, as well as the new City Hall staff – Yvette Yerkes and Melanie Kelsall. We are here for the benefit of the citizens, please let us know if there are any concerns. The Council meetings are the first and third Monday of the month and all are welcome.

Once again, thank you for the opportunity to serve.

- Mayor Anthony R. Moyer
