I would like to thank everyone who attended the Heritage Day festivities. The turnout was the best I have seen in years. I would like to thank all those people who made it possible; they did an outstanding job with all the vendors and displays for all to enjoy. Without the Heritage Day Committee, City Planner, Parks and Recreation Department, Fire Department, Public Works, and the Police Department the event would not have been what it was. The Ladies Auxiliary of the fire department did a great job the night before with the dinner. During the dinner it was announced that the inaugural winner of the Citizen of the Year is Anne Paladino. With deep regret the award was given posthumously. We will miss her. The Clutterbox was selected as the Business of the Year. Congratulations!
