FLIP ME OVER FOR A MESSAGE FROM THE CITY DEPARTMENTS & MAYOR DUANE E. BIVANS

A MESSAGE FROM CHIEF

ADAM GILLESPIE – HPD

With Spring arriving, we would like to remind everyone to be aware of more pedestrians on our streets. If you are driving, please be extra cautious of children playing, walking, and riding bikes around town. Also, with the better weather comes more vehicle traffic coming through town to reach vacation destinations. With increased traffic, please take an extra second to make sure it is clear when entering the roadway.

We would also like to remind everyone to always keep your vehicles locked, and your valuables in a safe place, out of sight. Report any suspicious activity by calling 911 immediately.

The City of Harrington is a wonderful community that works together and looks out for one another.

As always, if you see any suspicious activity, please report it... "If you see something, say something!"

Have a wonderful Spring and stay safe!

Chief Adam S. Gillespie

GREATER HARRINGTON HISTORICAL SOCIETY

The Greater Harrington Historical Society is actively presenting and preserving Harrington's history. In February, we held a successful Black History Month, Celebrating the African Americans in Harrington that have had a positive impact on the community.

Be sure to look up at the bell tower on the former church on April 18th. We will be kicking off our celebration of America's 250th birthday with Two Lights for Tomorrow. A celebration of the famous midnight ride of Paul Revere. Does anyone remember how many lanterns each message was to convey?

Kids Day at the Caboose will be occurring again! The date is June 14, 2025, from 10am to 2pm. This year will again include a car show! Be sure to watch for all the information on that event!

HARRINGTON PARKS & RECREATION

A MESSAGE FROM MAYOR BIVANS

Hello Harrington,

Let's go! As of this writing, Spring is already upon us, we have set our clocks forward, yet our bodies are still playing catch up. With that said, let's go. Yes, it felt like a long winter, but the time is now, get out and explore our town with offerings such as our brand-new energy efficient library! Say hi to the staff while exploring all that the library offers. Don't stop there, we also have been blessed with a new state of the art Senior Center, what a great transformation. Not only will the staff be happy to showcase it for you, but they are also ready to accept new members in or out of town, talk about Harrington hospitality coming together and moving forward. Now for outside adventures, take a bike, hike, or ride over to Harrington Parks & Rec to get acquainted with the new park and playground. As you tour our city, you'll see we've made significant PROGRESS coming together, moving forward, with a proven PLAN to the process, in which is to further the PURPOSE of building and fostering an even better relationship with you in mind as we continue to improve our quality of life together. It is both an honor and pleasure SERVING as your Mayor, where Delaware comes together, we stay together.

Progress, Plan, Purpose.

Duane E. Bivans
